Textile Technology Complete proporciona una cobertura exhaustiva de los aspectos científicos y tecnológicos de la producción y el procesamiento textil. Textile Technology Complete contiene índices y resúmenes de más de 470 títulos de publicaciones periódicas y de cientos de títulos obtenidos de distintas fuentes, como libros, conferencias, tesis, informes técnicos y material especializado. Esta base de datos también incluye el texto completo de alrededor de 50 publicaciones y también más de 50 libros y monografías.

Si desean hacer una revisión detallada de los títulos, recomiendo ir a este vínculo, consultándolo desde la red interna de la universidad:
